Agriculture	Appliances
Mining / Utilities	
Oil & Gas	

Job Functions

53% of attendees are at the engineering level or higher.

20% are Owners/Company Management/Corporate Executives or directly involved in Purchasing.

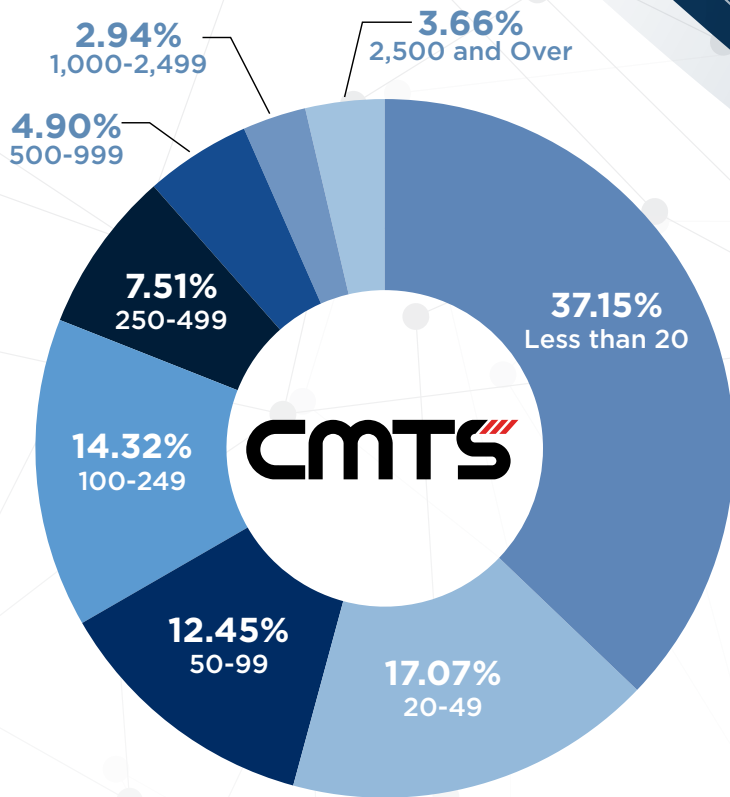

“The Show has been great! It has exceeded our expectations in terms of attendance and also in terms of the quality and level of the exhibitors at the show this year.”

— Vince D'Alessio
President, Elliott Matsuura

“ CMTS has been a great year so far. There has been a great turnout! A lot of customers we have seen. A lot of customers we have not seen over the past couple of years. Overall, a great turnout!”

— Peter Sheridan
Vice President of Sales, Ferro Technique

Company Size

CMTS connects you with small job shops, mid-size companies and large OEMs that are essential to the Canadian manufacturing industry.

Role in Buying

74% of attendees influence equipment purchase decisions in their companies. This means you're having quality conversations with evaluators, recommenders, specifiers, and final decision-makers.

Company Budget

69% of the CMTS audience has equipment budgets that exceed \$20,000.

37% have budgets that exceed \$200,000.

CMTS is an excellent way to connect with companies looking to invest in capital equipment.

Audience Technologies of Interest

3D Printing	Gases & Gas Equipment	Part Identification/Marking Systems (RFID)
Additive Manufacturing	Grinding Machines	Plant Engineering & Maintenance
Automated Manufacturing & Assembly	Industry 4.0 / IIoT (Industrial Internet of Things)	Plasma Cutting
Automation & Controls	Lasers & Laser Systems	Plastics Molding & Manufacturing
Bar Code Equipment & Sales	Lean Manufacturing	Purchasing & Inventory Control Software
CNC Programming Software	Machine Vision Systems	Rapid Prototyping
Composite Manufacturing	Machining Centres Milling & Boring Machines	Resistance Welding
Controls CAD/CAM Software	Machining Plastics	Robotics
Cutting Tools & Accessories	Maintenance & Repair	Sawing & Cut Off Machines
Data Acquisition	Material Handling	Screw Machining
Drilling & Tapping Machines	Measurement Inspection & Test	Turning Machines Lathes & Turning Centres
EDM	Metal Forming & Fabricating Equipment	Waterjet Cutting
Engineering Materials	Metal Suppliers	Welding
Fastening & Joining	Micromanufacturing	Workholding Systems & Fixtures
Financial & Leasing Services	Motion Control	
Flexible Manufacturing Systems	NDT	

Sample of Attending Companies

Air Liquide Canada

Airbus Helicopter

Autodesk

Bombardier Aerospace

Collins Aerospace

Deloitte

Epson Canada

Ford Motor Company

GE Aerospace

General Motors Canada Limited

Goodwin Tool & Machine Ltd

Hatch

Honda of Canada Manufacturing

Honeywell

Husky Technologies

Hydro One

Ingersoll Rand Canada

Iscar Tools

Kennametal Inc

L3Harris

Linamar

Lincoln Electric Company of Canada

Magna

Martinrea

Mercedes-Benz AG

Mitsubishi Materials USA

Musashi Auto Parts Canada

Nestle

Omron

Petro-Canada Lubricants

Pfaff Technologies

Pioneer Performance Inc

Pratt and Whitney Canada

Prima Power North America Inc

Quickmill

Ricoh

Rockwell Automation

Schneider Electric

SMC Automation

Sumitomo Carbide Canada

TD Bank

Telus Communications

Tesla Toronto Automation

Toyota North America

Tungaloy Canada

Tycos Tool & Die

Xiris Automation Inc
